Easily reached from the M6 or M56 and less than 30 minutes from historic Chester, we offer the perfect escape to the country whilst being easily accessible. There are 30 complimentary parking spaces, including accessible spaces and an electric car charging station.

AT MALPAS

As you step inside The Lion, you'll find oak beams, stunning candelabra and authentically comfortable furniture. Warmed by log fires with nooks and crannies to explore, the pub has been lovingly and tastefully restored.

Operated by the experienced team at Bear Inns, you are sure to receive a warm welcome from the Lion. You will find a range of beautifully cooked dishes at lunchtime and in the evening. We strive to use the very best local ingredients where possible and our menus change frequently, always retaining a blend of those comforting pub classics as well as more eclectic dishes.

The bar boasts 4 fine cask ales (supporting local breweries such as the award-winning Weetwood Ales) craft lagers, cider and an array of bottled drinks from around the world. A short but well considered wine list (selected by leading wine expert, Jon from Define Wine) will compliment any of our seasonal dishes. An artisan gin list and a fine selection of malt whisky's complete the lineup.

Extend you meeting overnight and dine in the pub together or give delegates the option of arriving the night prior secure in the knowledge they will have a great meal and a restful night's sleep before your meeting.

At The Lion we believe in seasonal menus and buying local where possible, sourcing as much as we can within a 20-mile radius. Our wine list is carefully thought through to complement our menus and supplied by award-winning supplier Define Wines and our bar also boasts a wide selection of gins, craft lager and local ales.
