*Working at the Swan for 6 months was hugely rewarding and great fun. I’ve met some amazing people on the way. It’s not all been easy but I was surprised how much I learnt. It’s enabled me to earn enough money to spend 4 months travelling the world before I go to university as well as giving me lots of new talents! My flat whites are second to none! **Hallie***

We also provide ‘Cooking Courses’ as part of our ‘Earn and Learn’ project.
